

## CCMP Update Subcommittee Meeting #3

RI Department of Environmental Management  
235 Promenade Street, Room 300, Providence, RI  
November 18, 2019  
10:00am to 3:15pm

### DESIRED OUTCOMES

1. The Subcommittee learns from national experts the processes and perspectives that informed other large landscape plans.
2. An initial consensus is reached on key audiences for this CCMP Update and the actions included in the 2012 CCMP Revision that should be carried forward in the update.
3. A list of existing plans and assessments in the region is compiled that will inform the CCMP Update.
4. Dates are set for the six CCMP Update meetings planned for 2020.
5. All meeting attendees are afforded an opportunity to meaningfully participate in the discussion.

### AGENDA

#### Introduction (15 min)

*Judith Swift, Coastal Institute, University of Rhode Island*

Judith welcomes the group, asks for introductions, calls for review and approval of the notes from the last meeting, and walks through the agenda.

#### CoastWise Partners Presentation and Discussion (90 min)

*Rich Batiuk, CoastWise Partners, former Science Director, Chesapeake Bay Program*

*Holly Greening, CoastWise Partners, former Executive Director, Tampa Bay Estuary Program*

Rich will start by sharing key practices that support successful partnership-based, large landscape restoration efforts based on his experience in the Chesapeake Bay. Holly will then provide her perspective and advice from updating the Tampa Bay Estuary Program CCMP in 2017. A group discussion will follow.

#### CCMP Update Audience (45 min)

*Mike Gerel, Narragansett Bay Estuary Program*

Mike will lead a group process to identify the target audience(s) for the CCMP Update.

#### Lunch—PROVIDED (12:30-1:00pm)

#### Which Actions in the 2012 CCMP Revision are still relevant? (90 min)

*Mike Gerel, Narragansett Bay Estuary Program*

Mike will lead a group discussion to identify the actions included in the 2012 CCMP Revision that have been completed, can be combined, are no longer relevant, or should be considered for inclusion in the CCMP Update.

#### Identification of Existing Plans and Assessments (30 min)

*Julia Bancroft, Narragansett Bay Estuary Program*

Julia leads a group brainstorm to identify existing plans, assessments, studies, and other documents that should be used as content and/or context for the CCMP Update.

#### Set 2020 CCMP Subcommittee Meeting Dates (10 min)

*Julia Bancroft, Narragansett Bay Estuary Program*

Julia works with the group to pick dates and cities for the CCMP Subcommittee meetings already planned for February, April, June, August, October, and December 2020.

#### Next Steps (5 min)

*Mike Gerel, Narragansett Bay Estuary Program*

Mike notes action items from the meeting.
