

CCMP Revision Subcommittee Meeting

Blackstone Heritage Corridor Visitors Center

3 Paul Clancy Way, Worcester, MA 01607

September 19, 2019

10:00am to 2:30pm

DESIRED OUTCOMES

1. Subcommittee is familiar with the processes and perspectives that informed other NEP CCMPs.
2. Participants understand the current status of actions called for in NBEP's 2012 CCMP
3. An initial CCMP update framework is understood and supported by the subcommittee.
4. A list of new people the group would like to participate in the update process is in place.
5. Members have a clear understanding of next steps in the CCMP update process.

AGENDA

Introduction (15 min)

Judith Swift, Coastal Institute, University of Rhode Island

Judith welcomes the group, asks all to introduce themselves, and walks through the agenda.

Neighboring NEP's Discuss Their CCMPs (75 min)

Pam DiBona, Mass Bays National Estuary Program and Curtis Boblen, Casco Bay Estuary Partnership

Pam and Curtis provide an overview and perspectives on their most recent CCMP update/revision, followed by group discussion.

Governance, Capabilities, and CCMP Approach by Other NEPs (30 min)

Mike Gerel, Narragansett Bay Estuary Program

Mike provides a brief overview on the goals, governance, capacities, and CCMPs of the 28 NEPs as context for this subcommittee's work.

NBEP 2012 CCMP—What Actions Were Completed? (30 min)

Mike Gerel, Narragansett Bay Estuary Program

Mike walks through a table that provides a rough view of progress on the 27 actions called out in the 2012 CCMP Revision, followed by group discussion.

Lunch—BRING YOUR LUNCH (~12:30, 30 mins)

CCMP Update Framework (45 min)

Mike Gerel, Narragansett Bay Estuary Program

Mike presents a draft update framework that includes basic principles, process, and format that reflects feedback from our previous discussions and seeks input and a thumbs up on the draft.

Participant Brainstorm (30 min)

Julia Bancroft, Narragansett Bay Estuary Program

Julia leads a group brainstorm to collect organizations, individuals, geographies, disciplines, etc. that are not represented today but should be part of the update process and assign people to make invites.

Next Steps (15 min)

Mike Gerel, Narragansett Bay Estuary Program

Mike reviews the previously shared rough timeline for the CCMP update and notes specific next steps.
